

I Am Waiting

Lindsey Buckingham

I am waiting, I am waiting
Oh yeah Oh yeah
I am waiting, I am waiting
Oh yeah Oh yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere

You can't hold out, you can't hold out
Oh yeah Oh yeah
You can't hold out, you can't hold out
Oh yeah Oh yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere

See it come along
Don't know where it's from
Oh yes you will find out
Like a winter storm
Fear will pierce your bones
You'll find out

Slow or fast, slow or fast
Oh yeah Oh yeah
Slow or fast, slow or fast
Oh yeah Oh yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere

See it come along
Don't know where it's from
Oh yes you will find out
Like a winter storm
Fear will pierce your bones
You'll find out

Oh we're waiting, oh we're waiting
Oh yeah Oh yeah
Oh we're waiting, oh we're waiting
Oh yeah Oh yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere

Oh we're waiting
