

## On with the Show

Lindsey Buckingham

Dead on the ground  
I am making a sound  
I am too proud to drown  
Too proud to drown  
As long as I stand  
I will take your hand  
I will stand with my band  
Stand with my band

There's nowhere to go  
But on down the road  
Let's get on with the show  
Let's get on let's get on  
Let's get on let's get on  
Let's get on with the show

Waiting too long  
But there's no right or wrong  
Only where I belong  
Where I belong  
There'll come a day  
When we all feel the same  
And we live for the game  
Live for the game

There's nowhere to go  
But on down the road  
Let's get on with the show  
Let's get on let's get on  
Let's get on let's get on  
Let's get on with the show

There's nowhere to go  
But on down the road  
Let's get on with the show  
Let's get on let's get on  
Let's get on let's get on  
Let's get on with the show

Let's get on let's get on  
Let's get on let's get on  
Let's get on with the show

Let's get on let's get on  
Let's get on let's get on  
Let's get on with the show

Let's get on let's get on  
Let's get on let's get on  
Let's get on with the show

Let's get on let's get on  
Let's get on let's get on  
Let's get on let's get on  
Let's get on let's get on
