

# Shut Us Down

Lindsey Buckingham

Oh you and I, we sure can dream  
Of conversations that might have been  
I know that I treat you unkind  
And long ago I lost my mind  
And even after all these years  
Though I can't even see you clear  
I know it's you  
Must lie sometimes  
To hide the truth  
You're trying to find  
Oh I shut us down  
No I will stay around  
As long as I can  
As long as I can

Even after all these years  
I can't even see you clear  
A child is born  
Another dies  
And every life has its price  
No I shut us down  
No I will stay around  
As long as I can  
As long as I can

Oh I shut us down  
No I will stay around  
As long as I can  
As long as I can  
As long as I can  
As long as I can  
As long as I can  
As long as I can
