

# Hallelujah

Lindsey Stirling

My heart is overjoyed,  
Kingdom has finally come,  
I see the face of my maker, the father, the son  
No I wont walk I will run (hmm)  
I hear the trumpets sound,  
Your wonders all around,  
No one can question your power, your sovereign, your crown,  
All that's lost now is found

And we'll say,  
You are mighty, you are Lord, no one greater than you Yahweh!  
All the angels, all the world singing,  
Halle, Hallelujah, Halle, Hallelujah, Halle, Hallelujah  
And we will all bow down and worship singing,  
Halle, Hallelujah

Just like a thief in the night,  
The sun of man shall rise,  
And in the blink of the eye you will crack the sky,  
And the dark will be light (ooh)  
We'll see our majesty that never loses sleep,  
Yeah we will dance, we will shout for our savior, our king  
Ohh, we all will be free

And we'll say,  
You are mighty, you are Lord, no one greater than you Yahweh!  
All the angels, all the world singing  
Halle, Hallelujah, Halle, Hallelujah, Halle, Hallelujah  
And we will all bow down and worship singing  
Halle, Hallelujah

Ohh, ohh, ohh, ohh,  
ohh, ohh, ohh, ohh,  
ohh, ohh, ohh, ohh,  
ohh, ohh, ohh, ohh,

You're mighty, you are Lord,  
No one greater than you Yahweh!  
All the angels singing,  
Halle, Hallelujah, Halle, Hallelujah, Halle, Hallelujah  
And we will all bow down and worship singing,  
Halle, Hallelujah

Hallelujah, Hallelujah  
We bow down  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah,  
We cry out  
Hallelujah, Hallelujah
