

# The Upside

Lindsey Stirling

The dark side of the moon  
All these new feelings got me so confused  
I wanna cut it loose  
Not sure that I can do this without you

Now I'm lost and I'm broken  
Deep in like the ocean  
Heart's been cut wide open  
Changing and I know it  
The other side of you  
That's what I've been trying to get used to  
But you know I am

Holding on and I'm upside down  
On my way to the upside now  
I'm on my way, on my way out  
I don't know if I'm right side up  
I'm inside out but I won't give up  
On my way, I'm on my way

To the upside now  
To the upside now  
The upside now  
To the upside now

Been climbing up these walls  
There's no one left to catch me if I fall  
It's just me and my thoughts  
I get so low but then the upside comes

Well I'm lost and I'm broken  
Deep in like the ocean  
Heart's been cut wide open  
Changing and I know it  
I'm seeing signs of you  
When it's the only thing  
That gets me through

Don't you know that I'm  
Holding on and I'm upside down  
On my way to the upside now  
I'm on my way, on my way out  
I don't know if I'm right side up  
I'm inside out but I won't give up  
On my way, I'm on my way

To the upside now  
To the upside now  
To the upside now  
To the upside now  
To the upside now  
To the upside now  
To the upside now  
To the upside now

Holding on and I'm upside down  
On my way to the upside now

I'm on my way, on my way out  
I don't know if I'm right side up  
I'm inside out but I won't give up  
On my way, I'm on my way

To the upside now  
To the upside now  
To the upside now  
To the upside now
