Hell is no joke. Hell is no joke. How do you know there is a Hell? How do you know there is a Heaven? How do you know there is a city built four square? How do you know the walls are of jasper, the gates are of solid pearl? How do you know the streets are made of gold? You had better be sure. You had better be certain. Dear God in Heaven, I am sorry for my sins. The way I've lived. The things I've done. Please, forgive me. Cleanse me with your precious blood from all unrighteousness. With my mouth I confess the Lord Jesus. In my heart I believe that God raised Jesus from the dead. I accept Jesus Christ as the savior of my soul, and I make him the Lord of my life, and according to God's word I am washed, I am cleansed, I am forgiven, I am saved.
