

THE HEART OF MAN

Lingua Ignota

The heart of man is an orchid
The heart of man is the open gulch itself
The heart of man is the seventh gate of hell
The heart of man is the crushed horse's tail

The heart of man is a furnace
The heart of man is the open gulch itself
The heart of man is the paternal arm extended
The heart of man is the burning barn extended

The heart of man is an orchid
The heart of man is an open gulch itself
The heart of man is the seventh gate of hell
The heart of man is the crushed horse's tail

No love is enough
No one is enough
No love is enough
One is not enough

No love is enough
No one is enough
One is not enough
I watched him drown
From the banks of the black gulch

No love is enough
No one is enough
Love is not enough
I watched him drown
From the banks of the black gulch

The heart of man is an orchid
The heart of man is the open gulch itself
The heart of man is the seventh gate of hell
The heart of man is the crushed horse's tail
