

I heard you crying loud
All the way across town
You've been searching for that someone
And it's me out on the prowl
As you sit around feeling sorry for yourself
Well, don't get lonely now
And dry your whining eyes
I'm just roamin' for the moment
Sleazin' my back yard, so don't get so uptight
You been thinking about ditching me

No time to search the world around
'Cause you know where I'll be found
When I come around

I heard it all before
So don't knock down my door
I'm a loser and a user

So I don't need no accuser
To try and slag me down
Because I know you're right
So go do what you like
Make sure you do it wise
You may find out that your self-doubt
Means nothing was ever there
You can't go forcing something
If it's just not right

No time to search the world around
'Cause you know where I'll be found
When I come around

No time to search the world around
'Cause you know where I'll be found
When I come around
When I come around
When I come around
When I come around
