

Riding with a head full of bodies are red  
And what I said is still stuck in my head  
But misled doing the things I do would make you never wanna come back  
But an all front attack, you could never run from that  
Being trapped in this with you,  
Somethin' that I never wanted to do  
But through it all you've got to see that where I want to be  
Is over the pen again letting it out of me  
In the center of the day in the dream, reading all my thoughts  
Getting lost in between, realizing one that the way to the sea  
And the killing and again with a head full of screams

I wanna live in another place  
Where no one can say that I live for them  
So I see it's not meant to be for me  
I wanna be in the energy, not with the enemy  
A place for my head

And the second it starts we're gonna be crushed when it all falls apart  
Going in the hollow, hoping that you won't know  
The strain it puts to me, seeing what you've done  
And consequently I've run away, just hidden again  
Within the boundaries of the nameless  
Don't want me to say this, but you're dragging me down  
Lost in the chaos being tossed around

Singing again to myself, a head full of hectic  
Hope that some day you'll regret this  
Everything's the wrong place, the wrong time  
Adding to the panic in my confine

Singing again to myself, a head full of hectic  
Hope that some day you'll regret this  
Everything's the wrong place, the wrong time  
Adding to the panic in my confine

I wanna live in another place  
Where no one can say that I live for them  
So I see it's not meant to be for me  
I wanna be in the energy, not with the enemy  
A place for my head

You try to take the best of me  
Stay away...  
You try to take the best of me  
Stay away...  
You try to take the best of me  
Stay away...  
You try to take the best of me  
Go away...!!!  
You try to take the best of me  
Go away...!!!  
You try to take the best of me  
Go away...!!!  
You try to take the best of me  
Go away...!!!  
You try to take the best of me

Go away...!!!

I wanna live in another place  
Where no one can say that I live for them  
So I see it's not meant to be for me  
I wanna be in the energy, not with the enemy  
A place for my head

SHUT...UP...NOW!!!

Singing again to myself, a head full of hectic  
Hope that some day you'll regret this  
Everything's the wrong place, the wrong time  
Adding to the panic in my confine

Singing again to myself, a head full of hectic  
Hope that some day you'll regret this  
Everything's the wrong place, the wrong time  
Adding to the panic of my confine
