

Jigga What / Faint

Linkin Park

Uh-huh uh-huh, jigga what
Uh-huh uh-huh, jigga who
Uh-huh uh-huh, jigga what
Uh-huh uh-huh, jigga who
Uh-huh uh-huh, jigga what
You gon' need a vocalin, right?
Yeah

Motherfuckers wanna act loco
Hit em up, numerous shots with the fo'-fo'
Faggots wanna talk to Po-Po's,
Smoke em like cocoa
Fuck rap, coke by the boatload
Fuck that, on the run-by, gun high, one eye closed
Left holes through some guy clothes
Stop your bullshitting
Glock with the full clip
Motherfuckers better duck when the fool spit
One shot could make a nigga do a full flip
See the nigga laying shocked when the fool hit
Hey, ma, how you, know niggaz wanna buy you
But see me I wanna "Fuck for Free" like Akinyele
Take this ride, make you feel it inside your belly
If it's tight get the K-Y Jelly
All night
Get you wide up inside
The telly
Side to side
'Til you say Jay-Z
You're too much for me

I am a little bit of loneliness a little bit of disregard
Handful of complaints but I can't help the fact that everyone can see these
scars
I am what I want you to want what I want you to feel
But it's like no matter what I do, I can't convince you to just believe this
is real
So I let go watching you turn your back like you always do
Face away and pretend that I'm not
I'll be here 'cause you're all that I got

Got a condo with nothing but condoms in it
The same place where the rhymes is invented
So all I do is rap and sex, imagine how I stroke
See how I was flowin' on my last cassette?
Rapid-fire like I'm blastin' a Tec, never jam though
Never get high, never run out of ammo
Niggaz hatin' the shit 'cause I slayed your bitch
You know your favorite, I know it made you sick
And now you're actin' raw but you never had war
Don't know how to carry your hoes, wanna marry your ho
Now she's mad at me, 'cause Your Majesty, just happened to be a pimp. What a
tragedy
She wanted us to end 'cause I fucked with friends
She gave me one more chance and I fucked her again
I seen her tears as she busted in
I said, "Shit... there's a draft, shut the door, bitch, and come on in!"

I am a little bit insecure a little unconfident
'Cause you don't understand I do what I can but sometimes I don't make sense
I am what you never wanna say but I've never had a doubt
It's like no matter what I do I can't convince you for once just to hear me
out
So I let go watching you turn your back like you always do
Face away and pretend that I'm not
I'll be here 'cause you're all that I've got

I can't feel the way I did before
Don't turn your back on me
I won't be ignored
Time won't heal this damage anymore
Don't turn your back on me
I won't be ignored

Now
Hear me out now
You're gonna listen to me, like it or not
Right now
Hear me out now
You're gonna listen to me, like it or not
Right now

I can't feel the way I did before
Don't turn your back on me
I won't be ignored

I can't feel the way I did before
Don't turn your back on me
I won't be ignored
Time won't heal this damage anymore
Don't turn your back on me
I won't be ignored

I can't feel
Don't turn your back on me
I won't be ignored
Time won't heal
Don't turn your back on me
I won't be ignored
