

# Two Faced

Linkin Park

I can't hear myself think  
I can't hear myself think

Get right!

Last time, I was hanging by a thread  
Tryna say I'm not, but I'm in it over my head  
That's when I figured out where it led  
Beginnin' to realize that you put me over the edge

Your truth's not rigid, your rules aren't fair  
The dark's too vivid, the light's not there  
I start to give in, but I can't bear  
To put it all behind, I run into it blind like

Two-faced, caught in the middle  
Caught in the middle  
Too late, countin' to zero  
Countin' to zero  
You should have recognized  
It's too late for choosing sides  
Two-faced, caught in the middle  
Caught in the middle (Two-faced)

Last time, you told me it wasn't true  
And pointin' every finger at things that you didn't do  
So that's why I kept missin' the clues  
And never realized that the one that did it was you

Your truth's not rigid, your rules aren't fair  
The dark's too vivid, the light's not there  
I start to give in, but I can't bear  
To put it all behind, I run into it blind like

Two-faced, caught in the middle  
Caught in the middle  
Too late, countin' to zero  
Countin' to zero  
You should have recognized  
It's too late for choosing sides  
Two-faced, caught in the middle  
Caught in the middle (Two-faced)

I can't hear myself think  
I can't hear myself think  
I can't hear myself think

Stop yelling at me  
I can't hear myself think, yeah  
Stop yelling at me  
Stop yelling at me  
Stop yelling at me

Two-faced, caught in the middle  
Caught in the middle  
Too late, countin' to zero  
Countin' to zero

You should have recognized  
It's too late for choosing sides  
Two-faced, caught in the middle  
Caught in the middle, caught in the middle  
Caught in the middle, caught in the middle  
Caught in the middle (Two-faced)

Is that what it is?  
That's what it is  
Hahahahaha  
We're on the same page right now
