

## Be Like That

Lion Babe

Be like that  
But some days you make me wanna say  
Mmh-mm... no, no, no

I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no  
I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no, no  
I don't wanna—

You threw me on the back burner  
See, I been feeling like Malcolm in the Middle  
But I'm a fast learner  
I'ont need all your love, just provide me a little  
See, I could travel the world  
But I just wanna be there for ya  
Mmh...  
He wanna adorn ya  
But girl I adore ya

You say I ain't shit, oh  
Then I say you's a bitch, babe  
See, why can't we be friends  
When we're more than friends?

I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no  
I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no, no  
I don't wanna—

Known to stay a little bit  
But in fact, I stay much longer  
Doesn't always make you stronger, real facts  
Great to know you have my back  
But some space will handle all of that  
'Cause I feel like I'm in a trap  
Hold it all back, treated like an artifact  
Special but loyal  
But I get bored  
Waiting for the key to your door  
I just wanna be there for ya  
Travel the world  
Know that we're worth it  
'Cause I know what I'm givin' up for it  
And I can't turn my head and ignore it  
Always on me  
You may take just too long...

I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no  
I don't wanna be like that

But some days you make me wanna say  
Mmh-mm... no, no

I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no  
I don't wanna be like that  
But some days you make me wanna say  
Mmh-mm... no, no  
I don't wanna be-
