

Body Work

Lion Babe

Rhythm's got me
Rhythm's got me
Rhythm's got me going crazy
(Aw yeah)

Let me see that body work (work)
Let me see that body body (body)
Let me see that body work (work)
Let me see that body body (body)
Let me see that body work (work)
Let me see that body body (body)
Let me see that body work (work)
Let me see that body body (body)

Body work (Work)
Body body (Body)
Body work (Work)
Let me see that (Body)
Body work (Work)
Body body (Body)
Body work (Work)
(Aw yeah)

I got a feeling
Hands in the air
Sweat is dripping
Everywhere
Oh, I'm about to lose it, baby
Cause this rhythm's got me going crazy

My heart is rushing
You got me gushing
Got me blushing
I love the touching
Too much discussion
Back to the hustling
Bustier, bustin'
My body crushin'
Everybody wanna get freaky wavy
All the juice is leaky, baby
Not the time to be acting lazy
Gotta, gotta, work that, work that, take me

Away, yeah
Away
Yeah...

Let me see that body work (work)
Let me see that body body (body)
Let me see that body work (work)
Let me see that body body (body)
Let me see that body work (work)
Let me see that body body (body)
Let me see that body work (work)
Let me see that body body

Rhythm's got me

Rhythm's got me going
Rhythm's got me
Rhythm's got me going
Rhythm's got me
Rhythm's got me
Rhythm's got me going crazy
(Aw yeah)

Body work (Work)
(Work it yeah)
Body body (Body)
Body work (Work)
(Aw yeah, aw yeah)
Let me see that (Body)
Body work (Work)
Body body (Body)
Let me see that body work (Work)
Let me see that body body

Body, body
(Goin')
Body work
Rhythm's got me going crazy
(Aw yeah)
