

# Make It Look Easy

Lion Babe

(What? I do make it look easy)  
(But it is not easy)

I make it look  
Easy, easy  
Yeah, I'm takin' it  
Easy, easy  
Yeah I'm keeping it  
Greezy, greezy  
Clean, I'm keeping it  
Squeaky, squeaky  
Keep up baby, I mean it baby  
All the fish in the sea it's crazy  
Tryna live all my dreams they wavy  
Dressing up in my finest lately

Easy, easy, easy  
I make it look  
Easy, easy, easy  
But nothing is  
Easy, easy, easy  
So just take it  
Easy, easy, easy

I make it look easy  
(Easy, easy)  
I make it look, easy  
(Easy, easy)  
I'm takin' it, easy  
(Easy, easy)  
I make it look, easy  
So easy

I make it look  
Easy, easy  
Yeah, I'm takin' it  
Easy, easy  
Might not be there right when you want me  
I'll be there when you need me, need me  
You should know that I mean it, mean it  
Hope that you can believe it cause  
There's something bout us that's workin' baby  
Yeah that's for certain baby

Easy, easy, easy  
I make it look  
Easy, easy, easy  
But nothing is  
Easy, easy, easy  
So just take it  
Easy, easy, easy

I make it look easy  
(Easy, easy)  
I make it look, easy  
(Easy, easy)  
I'm takin' it, easy

(Easy, easy)  
I make it look, easy  
So easy
