

Reaching

Lion Babe

Gotta make it happen
Gotta make it happen
Gotta make it happen
Gotta make it happen

It's moments like this
Where it all comes out
Are you gonna wait
Or go for it?

Reaching, baby
Reaching, baby
Reaching, baby
Reaching to the future
Reaching, baby
Reaching to the future
Reaching, baby
Reaching to the future
Reaching, baby
(I mean, let me go for it)
Reaching to the future
(Rise to the occasion)
Reaching to the future

Gotta make it happen
Gotta make it happen
Gotta make it happen
Gotta make it happen
Gotta make it happen
