

# **Sexy Please**

**Lion Babe**

Can I be sexy please?  
Tell you what, really need  
Looking for energy  
Need a tase, fantasy

Can I be sexy please?  
Give you what, really need  
We should touch tenderly  
Tell me what, tell me what, tell me

Yah yah yah yah yah...  
Yah yah yah yah yah...  
And go and go

(Sexy, sexy, sexy, sexy)  
You and me  
(Sexy, sexy, sexy, sexy)  
Can we please  
(Sexy, sexy, sexy, sexy)  
What you need

(Sexy, sexy, sexy, sexy)  
You and me  
(Sexy, sexy, sexy, sexy)  
Can we please  
(Sexy, sexy, sexy, sexy)  
What you need

Can I be sexy please?  
It's the best remedy  
Bring it close, next to me  
Go ahead, set it free

Can I be sexy please?  
Take it off, let me see  
We should touch, tenderly  
Tell me what, tell me what, tell me

Yah yah yah yah yah...  
Yah yah yah yah yah...  
And go and go

(Sexy, sexy, sexy, sexy)  
You and me  
(Sexy, sexy, sexy, sexy)  
Can we please  
(Sexy, sexy, sexy, sexy)  
What you need

(Sexy, sexy, sexy, sexy)  
You and me  
(Sexy, sexy, sexy, sexy)  
Can we please  
(Sexy, sexy, sexy, sexy)  
What you need

What you say are you ready? Aw yeah  
What's your fate, that's the way  
And you know it's already good baby  
Oh wow
