

Take A Break

Lion Babe

Let's take a break
Let's take a break
Let's take a break

Wanna go for a smoke?
Wanna go hold hands?
Wanna step outside?
Wanna do the money dance

Wanna get some water?
Wanna reapply?
Wanna freshen up?
Look at your eyes

Gonna call the car?
Let's stay
Do you have something rolled?
Should we step outside?

Let's take a break
Let's take a break
Let's take a break

And free your mind
Free your mind
Free your mind
Free your mind

Free your mind
Free your mind
Let it be
Free

Free
(Let's take a break)
Let it go
(Let's take a break)
Let it go
(Let's take a break)

Take
(Let's take a break)
Oh take it
(Let's take a break)
Oh take it
(Let's take a break)
