

Treat Me Like Fire

Lion Babe

Treat me like, treat me like
treat me like, treat me like
Fire, fire, fire, fire
Into the pain, into the pain,
into the pain, into the pain

Hey boy, I like your style
Come over here, let's talk awhile
Yeah you, I'm curious what we would do, the two of us
What would you like to do?
I'll introduce you to
My eyes, my lips, my hair.
If you're good we'll go from there

I'm feeling you, and I know that you want me too
In the end, I'm doing me.
That's all you got to see
Hey, that's just how it is, but I got a touch of this
I'm a bit too dangerous, if you want me you should just...

Treat me like, treat me like
treat me like, oh fire
Fire, fire, oh fire
Into the pain, into the pain
into the pain, into the pain

I'm in the light, I glow
But you know not to touch me, cause it might burn
If it don't work. But, soon you'll see the truth
After the smoke.
Woah, ohohoh ah ah
Ah ah ah ah, ah ah
Ah ah ah ah, ah ah
Uh fire!
Ah ah, fire ooooooh
Ah ah, fire ooooooh
(oh, like fire)
Ah ah, fire ooooooh
Ah ah, ah ah ah ah ah ah ah ahhh

Treat me like, treat me like,
treat me like, treat me like,
Fire, fire, fire, fire
Into the pain, into the pain
into the pain, into the pain

I gotta go now, got, got, gotta go now
Boy, the things you do
Makes me wanna run and never hurt you
Understand (understand), just how I am (how I am)
Might be too much for you. Either way I'm telling you

Treat me like, treat me like
treat me like, honey, treat me like
Fire, fire, fire, fire
Into the pain, into the pain
into the pain, into the pain

Honey
Treat me like, treat me like
Honey, treat me like
Fire, fire, fire
Into the pain, into the pain
