

Fuck the world, and anyone who doubted me.
Never needed anyone, all I need is me.
Seen so much shit I swear I'm numb.
There's nothing you can do to me, that hasn't been done.

Fuck the world and while I'm at it.
Fuck you too.
Seen alot of fakes, and I've had it.
Fuck you too.

Snakes and fakes is all I ever see.
What do you when your world breaks and you have nothing?
Keep your head up high, stare em' straight in the face
two fingers in the air singing this with me:

Fuck the world and while I'm at it.
Fuck you too.
Seen alot of fakes, and I've had it.
Fuck you too.

Fuck em all they never meant shit.
and they can suck my dick.

How many of them:
have been broken and beat?
How many of them:
have fucking lived on the streets?
How many of them:
know about what it takes?
How many of them:
know a damn thing about me?

It was never supposed to be like this, I swear to god I'm numb.
I can't feel a fucking thing, I swear my heart is gone.
I ain't got no love, only time for hate.
Cause this fucking world drained it out of me
