Obsessed

Lipps, Inc.

I can recall you and I and the time, we have it all
To ourselves, you and me and the way it used to be

I sit alone and cry and search for a reason why
I am obsessed and possessed with the thought of losing you
Losing you
Losing you
Oh, I'm losing you

I never know why you left but it's not too late to start
What you've done, she's a fake and you're making a mistake

I sit alone and cry and search for a reason why
I am obsessed and possessed with the thought of losing you
Losing you
Losing you
Losing you

Don't say that I didn't warn you of what she'll do to you
All she wants, is it right, she's got nothing else inside

I sit alone and cry and search for a reason why
I am obsessed and possessed with the thought of losing you
Losing you
Oh yeah, losing you
Oh, losing you
Whoa, losing you

(Losing you)
(Losing you) Yeah
(Losing you)
Losing you
Losing you
Ooh, losing you, yeah
Losing you

Whoa, losing you, oh
(Losing you)
Losing you
(Losing you)
I'm losing you, losing you
I'm losing you (Losing you)
(Losing you)
Losing, losing, losing, losing, losing you
(Losing you)
(Losing you)
(Losing you)
