

Gameboy

Liquido

Who said
It ain't tricky?
How come
Your so wicked?

needless
Almost human
Trip on
space invalid

I wanna be your gameboy
Let me be your machine
I wanna be your toy
Play me

I wanna be your gameboy
Your data stream
I wanna be your toy
Let me be your machine

Remind me
To remember
to hit the
panic botton

and I know
it's a dumb deal
to let it
all hang out

I wanna be your gameboy
Let me be your machine
I wanna be your toy
Play me
