

## It Had To Be You

Lisa Ekdahl

It had to be you  
It had to be you  
I wandered around  
Finally found somebody who

Could make me be true  
Could make me be blue  
And even be glad  
Just to be sad  
Thinking of you

Some others I've seen  
Might never be mean  
Might never been cross  
Or tried to be boss  
But they wouldn't do  
Cause nobody else  
Gave me that thrill  
With all your faults  
I love you still  
It had to be you  
Had to be you  
Had to be you

Some others I've seen  
Might never be mean  
Might never been cross  
Or tried to be boss  
But they wouldn't do  
Cause nobody else  
Gave me that thrill  
With all your faults  
I love you still  
It had to be you  
Had to be you  
Had to be you
