

## Rivers Of Love

Lisa Ekdahl

This night  
I awoke  
Out from dreams  
Of tall cascading fountains  
Of love  
I'm floating like a dove  
Covered from above  
With fountains of love  
And you  
Fly with me  
Through a scene  
Of deep caressing rivers  
Of love  
Soft as a dove  
It's you I'm dreaming of  
With rivers of love  
Flowing from above  
Knowing only of  
Rivers of love
