

Undertow

Lisa Hannigan

I want to swim in your current
Carry me out, up and away
I want to float
On every word you say

I want to be underneath your weather
Every cloud and ray of sun
I want to float
In between every one
In between every one

I want to sink down like a stone
You never lost me you never broke
I want to be adrift on your radio
Or take me under, take me home
The undertow

I want to be, all of a sudden
Every wave and undertow
I want to float
Everywhere I go
Everywhere I go
Everywhere I go
Everywhere I go

I want to sink down like a stone
You never lost me you never broke
I want to be adrift on your radio
Or take me under, take me home
The undertow [x4]
