Sorezore no omoi eranda michi he

Hora mou sugu kuroi yoake ga kuru kara

Dakishimeta yume no kakera ga itai yo
Shinjiru koto ni sae okubyou ni natta
Konna sekai de nani wo kizameru no darou tameshitai ima

Zetsubou no mirai tadoritsuite fusagikomi
Nakenashi no yuuki nigirishimeteta

Yami no AACHI kuguri nuketara hajimeyou

Ikutsu mono boku wo koete umareta yo
Shinjiru koto de shika tsuyoku narenai
Konna sekai de nani wo kizameru no darou boku-tachi no ima

Like drops of rain
We fall aimlessly
Our separate feelings go their chosen ways

Look, shortly a black dawn will come

The fragments of the dream I held dear, hurt me
I became afraid to believe in anything
What mark could I possibly leave in this world?
I want to find it out, right now!

I arrived in a desperate future
And hunched down
I clung myself to the little courage I had left

But once I come out of this dark storm, I'll begin

Overcoming many versions of myself, I was reborn!
Believing that this is the only way to become stronger
What mark can we possibly leave in this world?
This is our now!

Even if I'm turned into ash tomorrow and I can't say anything anymore
Then I think that living for someone's sake isn't bad at all!

The fragments of the dream I held dear, hurt me
I became afraid to believe in anything
What mark could I possibly leave in this world?
I want to find it out

Overcoming many versions of myself, I was reborn!
Believing that this is the only way to become stronger
What mark can we possibly leave in this world?
This is our now!
