

# Doesn't It Feel Good

Lisa Loeb

She's says, he shows up on time  
He's really nice  
Shouldn't I be happy?

He opens the door  
He wants to know me  
Shouldn't I be happy?

I ticked all the boxes, and everyone  
Says they love us together  
So why am I feeling this way?

But you know the feeling when something is missing  
You don't wanna miss out  
It hurts but you won't walk away

Well, you can walk away, walk away, walk away  
And shouldn't it feel good?  
Well you can walk away, walk away, walk away  
And shouldn't it feel good?

He says, I've got a nice life  
Everything's fine  
Shouldn't I be happy?

I've got a job  
It pays really well  
Shouldn't I be happy?

It looks good on paper and everyone's proud  
I got what I wanted, so why am I feeling this way?  
Am I living the dream or just falling asleep  
It's so hard to leave  
But it's getting much harder to stay

Well you can walk away  
Walk away, walk away  
And doesn't it feel good?

Until you take a step then, you'll never know

Well you can walk away  
Walk away, walk away  
And doesn't it feel good?

Until you take a step then, you'll never know

Oh, you know that it's all right to change your mind  
Until you take a step then, you'll never know

Well you can walk away, walk away, walk away  
And doesn't it feel good?

Until you take a step

Yeah, doesn't it feel good  
Doesn't it feel good

Doesn't it feel good  
Doesn't it feel good
