

Everything Is Free

Lisa Mitchell

Everything is free now
That's what they say
Everything I ever done
Gonna give it away
Someone hit the big score
They figured it out
That we're gonna do it anyway
Even if it doesn't pay

I can get a tip jar
Gas up the car
And try to make a little change
Down at the bar
Or I can get a straight job
I done it before
Never minded working hard
It's who I'm working for

And everything is free now
That's what they say
Everything I ever done
Gotta give it away
Someone hit the big score
They figured it out
That we're gonna do it anyway
Even if it doesn't pay
Even if it doesn't pay

Every day I wake up
Hummin' a song
But I don't need to run around
I'll just stay at home
And sing a little love song
My love and myself
If there's something that you wanna hear
You can sing it yourself

'Cause everything is free now
That's what I said
No one's gotta listen to
The words in my head
Someone hit the big score
And I figured it out
And I'm gonna do it anyway
Even if it doesn't pay
