

# Chill

LISA

Hello, hello, tell me somethin' that I don't know  
This so-called game is miserable  
Like, "Hmm?" With a question mark  
Would he be good enough in the dark?  
My drip-drip cost bags-bags  
I don't even look at no price tag  
My whip quick, cause whiplash  
First time with me might be the last

Camera in my face, just call me Mona LISA  
Mean what I say, boy, I ain't gonna tease ya  
Blame it on the love gone wrong (Yeah, yeah)  
Get what I want, and I'm gone (Yeah, yeah)  
Ain't coming back  
I should warn ya

With a heart so cold, I give you ch-ch-chills (Ooh-ooh)  
With a kiss so cold, from the ice that's on my grill (Ooh-ooh)  
If it ain't for fun, I'm runnin' for the hills  
Only want you for the thrill  
Come on fast, it won't last  
Boy, you need to ch-ch-chill  
Ch-ch-chill (Chill)  
Come on fast, it won't last  
Boy, you need to ch-ch-chill

Slide, I don't wanna ruin your night  
I'm like black ice, might lose control of your life  
I'm the storm they warned you about, Category 4  
Off the roof when you going down  
Got you wantin' more, you better chill

Camera in my face, just call me Mona LISA  
Mean what I say, boy, I ain't gonna tease ya  
Blame it on the love gone wrong (Yeah, yeah)  
Get what I want and I'm gone (Yeah, yeah)  
Ain't coming back  
I should warn ya

With a heart so cold, I give you ch-ch-chills (Ooh-ooh)  
With a kiss so cold, from the ice that's on my grill (Ooh-ooh)  
If it ain't for fun, I'm runnin' for the hills  
Only want you for the thrill  
Come on fast, it won't last  
Boy, you need to ch-ch-chill  
Ch-ch-chill (Chill)  
Come on fast, it won't last  
Boy, you need to ch-ch-chill

Get a taste before I go (Oh, oh, oh)  
Take a picture for the road (Oh, oh, oh)  
Thought I gotta let you know (Oh, oh, oh, oh)  
Don't get too close

You need to ch-ch-chill  
Ch-ch-chill (Oh, oh, oh)  
Come on fast, it won't last

Boy, you need to ch-ch-chill  
Ch-ch-chill (Oh, oh, oh)  
Come on fast, it won't last  
Boy, you need to ch-ch-chill
