

Dream

LISA

I've been thinking
That I got no idea what you're thinking
Are you happy? Are you sad?
Are you always gonna hate me for that night in Tokyo?
When it ended, I kinda hoped that it'd be open-ended
But you never looked back
Well, I guess you can't hold on to something once you let it go

But I know a place where we can be us
I know it ain't real, but it's real enough
From sun going down to sun coming up
It's like you're here with me

Whenever I close my eyes
It's taking me back in time
Been drowning in dreams lately
Like it's 2019, baby
Whenever I'm missing you
Call you up, but I can't get through
Don't know where you sleep lately
But I'll see you in my dreams, maybe
We can catch up, drive down our old street
If all that we were is all that we'll ever be
It's bittersweet
At least a girl can dream

I guess that I'm taking what I can get
'Cause I don't get nothing new from your friends
If you got the harder side of the break
Then why is it harder for me to take?
There's so much I might never get to say-ay

But I know a place where we can be us
I know it ain't real, but it's real enough
From sun going down to sun coming up
It's like you're here with me

Whenever I close my eyes
It's taking me back in time
Been drowning in dreams lately
Like it's 2019, baby
Whenever I'm missing you
Call you up, but I can't get through
Don't know where you sleep lately
But I'll see you in my dreams, maybe
We can catch up, drive down our old street
If all that we were is all that we'll ever be
It's bittersweet
At least a girl can dream

I know it's only in my mind (Ooh)
Playin' three nights on the stereo
Like a movie scene, DiCaprio
Oh, I put my makeup on just to fall asleep (Ah)
It's like you're here with me

Whenever I close my eyes

It's taking me back in time
Been drowning in dreams lately
Like it's 2019, baby
Whenever I'm missing you
Call you up, but I can't get through
Don't know where you sleep lately
But I'll see you in my dreams, maybe
We can catch up, drive down our old street
If all that we were is something we'll never be
It's bittersweet
Can we be friends at least?
