Mm

Fast cars, drop tops and tank tops  
Diamonds on my tick-tock  
That's just my lifestyle, oh-woah  
L.A. to Bangkok  
Can't stop, so we don't stop  
That's just my lifestyle, oh-woah

Hold my phone (Yeah), shut up and watch me go (Uh)  
Southside, oh (Yeah), shut up and watch me blow  
This, that, mm, she make millions  
That's that, mmm, fuck your opinions  
That's that, no, no, no (Uh)  
I did that on my own

Lo-lo-lo-lovin' it, these checks be comin' in  
These checks be doublin', she a icon  
Po-po-po-pour it up, we just don't give a fuck  
This ain't just luck, this my lifestyle

We turnin' up in Abu Dhabi  
Got that bass, bass jumping  
I know they never see me comin'  
That's just my lifestyle, that's just my lifestyle  
Oh-woah

Hold my phone, shut up and watch me go (Yeah)  
Every time I walk by, you turn to your friend and you ask them, "Mm, did you see her?"  
Had to put the shades on, she was like blindin', she was like somethin' like a diamond (Wow)  
Somethin' just struck me, she was like lightnin', I think she gave me a fever  
We pullin' up, we pullin' up, shit go off when you take one look at us  
It goes up and there ain't no stoppin' us  
If it ain't money, I ain't comin' at one  
Now pose for the camera, oh, my gosh, she's a star like boulevard  
She flashy, fancy, classy, nasty  
She do what she want, what she want and everyone knows

Lo-lo-lo-lovin' it, these checks be comin' in
