

Deeper

Lisa Stansfield

A thousand times we've said goodbye
A thousand times you've made me cry
But you know I love you
Oh you know I love you

A thousand times we've said the words
And the truth will always hurt
But you know I love you
Yes I'll always love you

But I can never love you like before
It can never be the way it was
'Cos now it's so much deeper babe, deeper babe
Now it's so much deeper babe, deeper babe

Kicked each other to the kerb
Too much wine and too much herb
But you know I love you
No matter what I love you
Babe you know I love you

But I can never love you like before
It can never be the way it was
'Cos now it's so much deeper babe, deeper babe
Now it's so much deeper babe, deeper babe
And I can never love you like before
And it can never be the way it was
'Cos now it's so much deeper babe, deeper babe
Now it's so much deeper babe

Deeper babe
Baby baby
Go deeper babe

But I can never love you like before
It can never be the way it was
'Cos now it's so much deeper babe, deeper babe
Now it's so much deeper babe

Oh my love, oh my love
Oh you do things, you do things to me
Oh

Oh my love, oh my love
So much deeper, so much deeper
It's forever baby
So come on
