

Hercules

Lisa Stansfield

They know my name
In lowdown circles
They treat me right
Like I was Hercules
They say I'm strong
And to the point
They've got it right

Ooh ooh ooh ooh
I'm Hercules
Ooh ooh ooh ooh
I'm Hercules

Step to the side
When I walk by
Just treat me right
Like I was Hercules
'Cos I'm not wrong
I sing my song
And you've got it right

Ooh ooh ooh ooh
I'm Hercules
Ooh ooh ooh ooh
I'm Hercules
Oh I'm Hercules

I take the blows
That I deserve
Right on the chin
Like I was Hercules
You know it hurts
But I know it's right
That's what I'm like

Ooh ooh ooh ooh
I'm Hercules, yeah
Ooh ooh ooh ooh
I'm Hercules
I'm Hercules
I'm Hercules
Yeah yeah yeah yeah
I'm Hercules
You know, you know
I'm I'm Hercules

They know my name
In lowdown circles
They treat me right
Like I was Hercules
They say I'm strong
And to the point
They've got it right

Ooh ooh ooh ooh
I'm Hercules
Yeah get it right

Get it right
Get it right
I'm Hercules
Ooh oooh
I'm I'm Hercules
Get it right
Get it right
Got a smoke?
