

# Change

Lissie

There's something in the wind  
I can feel it blowing in  
It's coming in softly  
On the wings of a bomb  
There's something in the wind  
I can feel it blowing in  
It's coming in hotly  
And it's coming in strong

Lately I've been thinking it's just someone else's job to care  
Who am I to sympathize when no one gave a damn?  
I've been thinking it's just someone else's job to care  
Who am I to wanna try but

Change is a powerful thing  
People are powerful beings  
Trying to find the power in me to be faithful  
Change is a powerful thing  
I feel it coming in me  
Maybe by the time this song is done  
I'll be able  
To be honest, capable  
Of holding you in my arms without letting you fall when I don't feel beautiful  
Or stable  
Maybe it's enough to just be where we are because

Everytime that we run  
We don't know what it's from  
Now we finally slow down  
We feel close to it  
There's a change gonna come  
I don't know where or when  
But whenever it does  
We'll be here for it

There's something in the wind  
I can feel it blowing in  
It's coming in softly  
On the wings of a song  
There's something in the water  
I can taste it turning sour  
It's bitter, I'm coughing  
But now it's in my blood

Lately I've been thinking it's just someone else's job to care  
Who am I to sympathize when no one gave a damn?  
I've been thinking it's just someone else's job to care  
Who am I to wanna try but

Change is a powerful thing  
People are powerful beings  
Trying to find the power in me to be faithful  
Change is a powerful thing  
I feel it coming in me  
Maybe by the time this song is done  
I'll be able

To be honest, capable  
Of holding you in my arms without letting you fall when I don't feel beautiful  
Or stable  
Maybe it's enough to just be where we are because

Everytime that we run  
We don't know what it's from  
Now we finally slow down  
We feel close to it  
There's a change gonna come  
I don't know where or when  
But whenever it does  
We'll be here for it

Oh ohh  
Yeah, whenever it does  
We'll be here for it  
Oh ohh  
Whenever it does  
We'll be here for it
