

# Everywhere

Lissie

Can you hear me calling  
Out your name?  
You know that I'm falling  
And I don't know what to say  
I'll speak a little louder  
Even shout  
You know that I'm proud  
And I can't get the words out

I, I  
I want to be with you everywhere  
I, I  
I want to be with you everywhere  
Wanna be with you everywhere

Something's happening  
Happening to me  
My friends say I'm acting peculiarly  
Come on, baby  
We better make a start  
You better make it soon  
Before you break my heart

I, I  
I want to be with you everywhere  
I, I  
I want to be with you everywhere  
Wanna be with you everywhere

Can you hear me calling  
Out your name?  
You know that I'm falling  
And I don't know what to say  
Come along, baby  
We better make a start  
You better make it soon  
Before you break my heart

I, I  
I want to be with you everywhere  
I, I  
I want to be with you everywhere  
I, I  
I want to be with you  
I want to be with you everywhere  
I, I, I, I, I  
Oh, I want to be with you  
I want to be with you everywhere  
Want to be with you everywhere

I, I  
I want to be with you  
I want to be with you everywhere  
I, I  
I want to be with you everywhere
