

## Life Is

Listener

Life is a box of cereal for dinner when there's no more bread  
Life is another 8 hours on this long gray road  
Looking at the sleepy animals that are probably dead  
Life is a game that I never seem to win  
Filled with false turns, fake money and even less bread  
Life is an eye-level  
level stack of bills, the ones without the presidents  
And a doctorate in juggling  
Life is a bad joke that you actually laugh at  
Cause you can't afford to get caught tear smuggling  
Life is something you can insure, but you can't be sure you'll  
have it forever  
Life is a gift that most of us treat like a job, or a cop  
Life is a journey and I wish we help each other along the way  
Life is full of surprises, it's beautiful and it's good  
Life is not easy, though, nobody ever said it would be  
Nothing in life is free, and most of the time, well you have to  
pay double  
Life is an experience that you have to be there for  
F is the middle word in life and that's always the big question  
Hey, at least we're trying  
Take the F out, and you have a lie  
But you have to decide who's doing lie
