

Lion Heart

LIT killah

It's my moment, I own it
Came with a couple scars
But who's counting? I keep going
To the beat of a lion's heart, mmm

Oh, my love take me down
Sin to me, sin to me
Oh, my love, hear that sound
It's the beat of a lion's heart, mmm
'Cause when my love takes me down
Sins to me, sins to me
Oh, my love, hear that sound
It's the beat of a lion's heart

I would rather die
I would die, I would die
I ain't gonna kill my vibe (Yeah)
Ain't gonna jungle, yah (Yah, yah)
I would rather die
I would die, I would die
I ain't gonna kill my vibe (Yeah)
Ain't gonna jungle, yah (Hoo)

Baby, tengo un gran dragón
I don't need to fly solo porque estoy mirándolo de la crema
El león que quieren hallar
Se les escapó pero e' grande pa' su liga (Hoo)
Hay dolor dentro del corazón
Let's gonna runaway
Girl, that's a runaway

Y somo' dueño' del game

Oh, my love take me down
Sin to me, sin to me
Oh, my love, hear that sound
It's the beat of a lion's heart, mmm
'Cause when my love takes me down
Sins to me, sins to me
Oh, my love, hear that sound
It's the beat of a lion's heart (Hoo)

I would rather die
I would die, I would die (I would die)
I ain't gonna kill my vibe (Yeah)
Ain't gonna jungle, yah (Yah, yah; hoo)
