

The Party's Over

Lit

Remember that guy that you thought was a creep?
Motley Crue T-Shirt and holes in my jeans
You were most back then most likely the one to succeed

Well I got my nerve up and
Tried to stay cool
But you signed my yearbook and fucked up my world
You told me to "stay super sweet and good luck with the girls"

Now the party's over
You're here to stay
Like a bad hangover
Won't go away
Ain't it funny how things change until now
I'm looking down on you
Now!
Yeah!

Remember that time when I saw you again?
Desperate in line with a couple of friends
You called my name as I cut through the line to get in

So I let you in and I brought you backstage
You drank all my liquor and fell on your face
You tried to tell me you knew that I'd make it someday

Now the party's over
You're here to stay
Like a bad hangover
Won't go away
Ain't it funny how things change until now
I'm looking down on you
Now!
Yeah!

You used to be so cool
Now you've got everyone thinking that everything's cool
But I'm not your fool

Now the party's over
And I'm here to stay
Like a bad hangover
I won't go away
Ain't it funny how things change until now
I'm looking down on you now
I'm looking down on you
Now!
