

# Yeah Yeah Yeah

Lit

We're pushing it to the red  
Taking it over the edge  
You're going off in my head, my head, my head, Yeah  
Just getting started  
Yeah Yeah Yeah  
Yeah Yeah Yeah

You set me off  
We haven't even left the parking lot (Nuh-uh)  
We lose control, We don't know when to stop  
They say we oughta take it down a notch (Uh-uh)

We don't overthink about it  
You know how it goes

We're pushing it to the red  
Taking it over the edge  
You're going off in my head, my head, my head, Yeah  
Just getting started  
Yeah Yeah Yeah  
Yeah Yeah Yeah

We're on a good one  
Our only enemy's the morning sun (morning sun)  
Now if we get a little low on luck  
I know a place where we can find some (Uh-huh)

We're pushing it to the red  
Taking it over the edge  
You're going off in my head, my head, my head, Yeah  
Just getting started  
Yeah Yeah Yeah  
Yeah Yeah Yeah

We don't overthink about it  
You know how it goes

We're pushing it to the red  
Taking it over the edge  
You're going off in my head, my head, my head, Yeah  
Just getting started  
Yeah Yeah Yeah
