

All I Know

Lithe

All I know, keep my eyes closed
Getting lost inside my dreams it feels alive though
Can't deny I got blessings in the disguise yeah
In my dreams you always leave, don't know where to go

Go, go, yeah, yeah
Away, away, away
Please, don't, don't go
Away, away, away

Yuh, yeah I know it's been a while
I got ignorance that made a lot of ground
Might be right, might be all in my fucking mind, yeah
Got my head up in the clouds, ain't comin' down, yeah, ooh
Yeah, then the shawty came through
Ain't nobody like you
Holdin' on, I can't choose, oh why

Yea, I know you need more
I can't do both at the same time yeah, yeah, yeah
I don't know if I, can put it all away for you

All I know, keep my eyes closed
Getting lost inside my dreams it feels alive though
Can't deny I got blessings in the disguise yeah
In my dreams you always leave, don't know where to go

Go, go, yeah, yeah
Away, away, away
Please, don't, don't go
Away, away, away

I know I've been stalling for a while, now, yeah
Feel like either way I'm losing out, oh no, yeah
I been in MIA been down and out, yeah, yeah
But I can't let this go
That's not fair on you
Got my back against the wall, either way I'm gonna fall
I be, I be fallin' for you

Yea, I know you need more
I can't do both at the same time yeah, yeah, yeah
I don't know if I, can put it all away for you

All I know, keep my eyes closed
Getting lost inside my dreams it feels alive though
Can't deny I got blessings in the disguise yeah
In my dreams you always leave, don't know where to go

Go, go, yeah, yeah
Away, away, away
Please, don't, don't go
Away, away, away
