

## Falling (Interlude)

Lithe

I know you gonna stop  
I know you gonna stop  
I know you ain't never stop

I know you gonna stop, said it don't stop, baby  
I know you gonna stop, said it don't stop, baby  
I know you ain't never stop, said it don't stop  
Said it don't

I'm falling, babe  
I'm falling, babe  
Don't let me, yea  
Don't let me

Say somebody loves you  
Say somebody wants you  
I can be the one too  
I can be the one

I'm falling babe, said it don't stop, baby  
I'm falling babe, said it don't stop, baby  
I'm falling  
I'm falling
