

## Grow Up

Lithe

And I know that you wanna grow up  
But I can't help you  
Can't help you  
I don't know what you wanted from us  
But I can't help, mmm

And you say that I need you  
And you know that I can't  
Hmm, and you know that I need you (Oh, yeah)

Can't find time, find somebody that could  
Feel like in another life, maybe we should  
Living on a different timeline, I can't  
Maybe it's, maybe it's

And you say that I need you  
When you know that I can't  
And you know that I need you

Pain over love  
Gotta paint over love  
Tell me who you trust (Tell me who you trust)  
Tell me fucking who you trust, yeah

And I'm knowing that you gotta get gone  
But I can't let you out of my arms  
Shawty, yeah, for too long, too far gone, yeah  
And I know that you gotta get gone  
But I can't let you out of my arms  
Shawty, yeah, for too long, too far gone, yeah

And I know that you wanna grow up  
But I can't help you  
Can't help you  
I don't know what you wanted from us  
But I can't help, mmm

And you say that I need you  
And you know that I can't  
And you know that I need you

Pain over love (Pain over love)  
Gotta paint over love  
Tell me who you trust  
Tell me fucking who you trust, yeah
