

I Need

Lithe

Shawty, yeah, she worried if I might show (Mmm)
Damn, it's hard to care for her side, though (Mmm)
Out here with my mans in the night show (Mmm)
Drink and party, yeah, we keep the lights low (Mmm)
I've been 'bout mine all the way (Mmm)
Ice cold, what a nigga got to say now? (Mmm)
Sippin' Henny, we be mobbin' through the night, though, yeah
Movin' like we trappin' out a Bando

I need, I need, I need, I need, I need
I need, I need, I need, I need, I need
I need you here with me
Don't you fuck around, I know you heard 'bout me, ah, yeah
I need, I need, I need, I need, I need (Whoa)

Let's go, I got money on me (Yeah)
New city, new bitch, new keys
Missed calls finna' rain on me
I've been down and out, but a nigga still breathin'
Sayin' my prayers for the check
Straight shooter, like I'm walkin' with a T.E.C.
Move deep and I'm pounding on my chest, uh
You know, you know, you know what I want
You know what I need
Ice cold bitch, when I'm sippin' my tea
I don't mean to, I don't mean to
I don't mean to (Mm)
Feelin' myself, fillin' my needs
Feel like repercussions ain't gon' ever catch me
Heard what I said and I can't help it
I ain't ever gon' rest, never gonna' test me, check me

I need, I need, I need, I need, I need
I need, I need, I need, I need, I need
I need you here with me
Don't you fuck around, I know you heard 'bout me, ah
I need, I need, I need, I need, I need (I'ma)

Touch down in the Matrix, yeah
Shawty, send me your location now
One-twenty on the freeway, speedin' (Yeah, yeah)
Big checks, blue pills, I'm fiending (Yeah, yeah)
Young boy finna' do my thing
Get the FBI, put a case on me (I don't)
Feel like everything will cave on me
Shawty, hold on, have faith in me, yeah (Mmm)
You don't wanna' (Mmm)
Know I gotta' (Mmm)
But I gotta' (Mmm)
(I be on way too much)
You don't wanna (Part of me just can't stop)
Know I gotta' (I could never get it enough)
Know I gotta' (I could never get it enough)
Know I gotta', know I gotta, know I gotta'

I need, I need, I need, I need, I need
I need, I need, I need, I need, I need

I need you here with me
Don't you fuck around, I know you heard 'bout me, ah, yeah
I need, I need, I need, I need, I need

I be on way too much (I need, I need, I need, I need, I need)
Part of me just can't stop (Mm, ah, yeah)
I could never get it enough, ayy
Check, check, check, yeah, check, check, check me
I been on way too much (Mm)
Part of me just can't stop (Mm, ah, yeah)
I could never get it enough
