

Now What?

Lithe

I been holding out for the rainy days
Nothing gets better 'til I get my way
Fallin' out of love, no
Fallin' way too hard, yeah, yeah
I been holding out for the rainy days
Nothing gets better 'til I get my way
Fallin' out of love, no
Fallin' way too hard, yeah, yeah

Set in my ways, set in my ways
Set in my...
Set in my ways, set in my ways
Set in my...

I'm so with it, I'm so with it
I been on, I been going on the road with it
All alone, baby, hands on me
Lights on me, put a price on me, yeah
(I'm so with it, I'm so with it)
(I been on, I been going on the road with it)
Shawty, you know I need you, yeah
(All alone, baby, hands on me)
(Lights on me, put a price on me, yeah)

Set in my ways, set in my ways
Set in my...
Set in my ways, set in my ways
Set in my...
(I'm so with it, I'm so with it)
Set in my ways, set in my ways (I been on, I been going on the
road with it)
Set in my...
(All alone, baby, and it's on me)
Set in my ways, set in my ways (Lights on me, put a price on me
, yeah)
Set in my...

Set in my ways, set in my ways
Set in my...
Set in my ways, set in my ways
Set in my...
Set in my ways, set in my ways
Set in my...
Set in my ways, set in my ways
Set in my...
