

# Numb

Lithe

He don't wanna hurt a soul  
He just wants that easy fix  
If he dies and goes to hell  
Yeah, I guess that's how it is  
Been so cold up to this world  
Least I won't die like a bitch  
I'm not here to tell you off  
I won't tell you how it is  
Yeah, I guess you love me now  
Girl, I wished you me loved me then  
I can't keep this to myself  
You can't keep on playin pretend  
Yeah, I guess you love me now  
Girl, I wished you me loved me then  
You can't keep this up like that  
I can't do this all again

Hmmm, I've been numb I don't hate it  
Yeah, I can't say that it don't phase me  
Yeah, I've been numb I don't hate it

We've seen better times, yeah  
Breaking down inside, yeah  
Easing up your mind, yeah  
We've seen better times, yeah  
Breaking down inside, yeah  
Easing up your mind, yeah  
So numb I feel it  
So numb so real  
We don't gotta do this anymore anymore  
We don't gotta do this no more

Been so cold oh so cold  
Feeling down I'm feeling numb  
Ease my mind ease my soul  
That's all easier said than done  
Can't get high can't get hurt  
Wish I could be less content  
Wish that I could feel something  
Before I drown in my regrets, aye

Hmmm, I've been numb I don't hate it  
Yeah, I can't say that it don't phase me  
Yeah, I've been numb I don't hate it

We've seen better times, yeah  
Breaking down inside, yeah  
Easing up your mind, yeah  
We've seen better times, yeah  
Breaking down inside, yeah  
Easing up your mind, yeah  
So numb I feel it  
So numb so real  
We don't gotta do this anymore anymore  
We don't gotta do this no more
