

Off My Shoulder

Lithe

Fuck off my shoulder
Fuck off my shoulder
Lights been gone out here
Shorty fuck 'round like no idea

Not on my own I
Fuck off my shoulder, yeah
Imma get colder, yeah
Imma get colder

Fuck off my shoulder
Fuck off my shoulder
Lights been gone out here
Shorty fuck 'round like no idea

Not on my own I
Fuck off my shoulder, yeah
Imma get colder, yeah
Imma get colder

Hunned on it Jaquie there she go
Throwing my bank while she throwing it back like woah
Run that shit I need to need to know
Need to know need to know

I ain't tryna slow the pain
Damn shorty I've been this way
I ain't tryna slow the pain
No running no novacane

I say so I'm reaping now
Gotta tell 'em twice gotta keep it down
Fuck off my shoulder gotta keep them out

Fuck off my shoulder
Fuck off my shoulder
Lights been gone out here
