

See U Later

Lithe

You know I'll see you later
I'm posted with the same
I can't help I'm late, oh nah
I'm too caught up in chasing

Got to count on my friends
That's Ben, that's Ben, yea, we getting it right
And your shorty caught wind
Can't lay low when the money's alright

You got your way
I kept you waiting
But I'll be there

You know I'll see you later
I'm posted with the same
No I can't help I'm late, oh nah
I'm too caught up in chasing

Yayea yayea and I know you need me
Yayea yayea and I know you need me
And you know I gotta preference
Money over loving over sexing
When she move so bad she gon' switch up my attention, yea ya

You got your way
I kept you waiting
But I'll be there

You know I see you later
I'm posted with the same
I can't help I'm late, oh nah
I'm too caught up in chasing

In the late night
In the morning
When I'm so high
When I'm sober
When the the sun sets
And it's all done
Then I'll be there, babe, I'll be there
