

She said price is ultimatum  
Yeah, 'imatum  
You are all I need, uh  
I need, I need, I need you here with me now  
That ain't what you feel, no, I can never reach ya  
I know that it might seem  
Like this shit don't affect me, affect me  
I've run out of time, yeah

Hit your line, I'm calling  
Now I'm off the drink now  
Missed calls in the morning

And now I'm fucking stressed out, I'm stressed out  
And, bitch, I can't confess now, I messed up  
Yeah, you be at your best now, your best now  
But you slipping away now, no, no

Yeah, I can never, yeah, slow this down, can't let up, uh  
Throw my cheddar, yeah, go if you couldn't settle, huh  
Way too stressed, I be too focused on cheques now  
I forget, I forget that you  
You just needed time, some time, yeah  
I done gave you mine now, mine now  
Eyesight got me tripping, yeah

Hit your line, I'm calling  
Now I'm off the drink now  
Missed calls in the morning

And now I'm fucking stressed out, I'm stressed out  
And, bitch, I can't confess now, I messed up  
Yeah, you be at your best now, your best now  
But you slipping away now, no, no

Feeling like sky's falling on me  
I just can't sleep, no, I can't breathe, yeah  
Watching how the night falls into day  
Falling all the way now (Falling all the way)

And now I'm fucking stressed out, I'm stressed out  
And, bitch, I can't confess now, I messed up  
Yeah, you be at your best now, your best now  
But you slipping away now, no, no

You just needed time, some time, yeah  
I done gave you mine now, mine now  
Eyesight got me tripping, yeah  
Hit your line, I'm calling  
Now I'm off the drink now  
Missed calls in the morning
