

Tempt Me

Lithe

Benz out front
Rendezvous
And the shorty try tempt me
Saint Laurent
Pray no more
And the money got hold I'm slipping
Free fall now
Shit gon' wild
Yeah cause the money come plenty
Slick back tight
Armenian fine
Likes her pilates stay bendy

What you want
What you need
Got Chanel, LV, got Fendi
She bout' mine
Bonnie and Clyde
Imma' love you if you let me
Wheels fall off
Hearts gon' cold
Till the tank gon' empty
Till the tank gon' empty

Trust God watch my demons
Money come fast I'm speeding
I ain't fuck 'round no foreplay
Trust just ain't my forte

Weekdays been my weekend
Been playing 'round the deep end
Them boys out just geeking

Benz out front
Rendezvous
And the shorty try tempt me
Saint Laurent
Pray no more
And the money got hold I'm slipping
Free fall now
Shit gon' wild
Yeah cause the money come plenty
Slick back tight
Armenian fine
Likes her pilates stay bendy

What you want
What you need
Got Chanel, LV, got Fendi
She bout' mine
Bonnie and Clyde
Imma' love you if you let me
Wheels fall off
Hearts gon' cold
Till the tank gon' empty
Till the tank gon' empty
