

Want U

Lithe

Say (Uh)
Would I like this?
Would I shine like this, shine like this
Say, brand new Benz, brand new whip (Uh)

I got to know
I want you, uh
I want you, yeah
I want you
You gotta know
I want you, uh
I want you, yeah
I want you

You ain't seen this shit, right from my hands (Hmm, hmm)
Factory diamonds right on my hands, yeah (Hmm, say)
Old money ain't shit, this new this fast (Shit)
I tell my time off 80 bands
She say, "That's cool", that's fine with me (Me, me)
When shawty come out, she just a freak (Yeah, she freak, freak)
Tryna calm my nerves, these pockets deep
Daily can't talk, I need my peace
This shit gon' change you, c'est la vie
I'm in too deep, I'll sink my teeth
Shawty wanna trip, I'll turn my deep
Gotta take a step out take a breather (Baby, I just)
Gonna say less, say less, say less
Yeah, yeah, yeah
Gonna say less, say less, say less
Yeah, yeah, yeah, (Baby, I just)

I got to know
I want you, uh
I want you, yeah
I want you
You gotta know
I want you, uh
I want you, yeah
I want you

Gonna say less, say less, say less
Yeah, yeah, yeah
Gonna say less, say less, say less
Yeah, yeah, yeah
I got to know
I want you
I want you
I want you
You gotta know
I want you
I want you
I want you
