

## Lost

## Little Big Town

I don't know who I am  
Staring at a million broken pieces here  
I don't know where I stand  
While I'm still, the world goes round so free so cavalier  
Aimlessly I wander, like a drifter  
On a narrow winding road  
I've got plenty of direction  
But I don't know where to go

I'm so lost without you  
I'm so lost without you  
Baby, I'm so lost without you  
That I can't find myself

I'm so lost without you  
Baby, I'm so lost without you  
I'm so lost without you  
That I can't find myself

No it don't seem right  
This canyon of lonely lying in our bed  
Lord how I've cried a waterfall of tears Until my eyes turn red  
Ever since you left me  
It's been like a bullet through my heart  
And I know I should move on  
But I don't know where to start

I'm so lost without you  
I'm so lost without you  
Baby, I'm so lost without you  
That I can't find myself

I'm so lost without you  
Baby, I'm so lost without you  
I'm so lost without you  
That I can't find myself

Ever since you left me  
It's been like a bullet through my heart  
And I know I should move on  
But I don't know where to start

I'm so lost without you  
I'm so lost without you  
Baby, I'm so lost without you  
That I can't find myself

I'm so lost without you  
I'm so lost  
Baby, I'm so lost without you  
That I can't find myself
